

PROFI cutter

**PROFI countersink hole cutter Ø 68 mm for flush-mounting box installation**

- for flush-mounting box and casing installation
- inductively hardened

Article no:	1081-15
EAN:	4013456587762
for PROFIL cutter Ø	68 mm

The new PROFIL cutter is the ideal tool for creating installation openings in drywalls. The fine saw teeth and precise drilling diameter are perfectly matched to the installation of KAISER boxes. The innovative trilo geometry of the cutter head ensures an improved operating life. In combination with the new centring drill, the drilled core can be reliably ejected, enabling fast work.

- longer service life due to new cutting edge geometry
- Faster installation thanks to reliable drilled core ejection
- With holder, centring drill, countersink hole cutter and drilled core ejector
- Specially for plasterboard, softwood and plywood boards
- Unique triangular-round cutter geometry for maximum hole precision
