

## EVolution EMC components

### Lower part metric long

- Lead-free brass
- Electromobility

|                       |                            |
|-----------------------|----------------------------|
| <b>Article no:</b>    | <b>1189.25.02LF</b>        |
| EAN:                  | 7611614349251              |
| Material              | Brass CuZn21Si3P lead-free |
| Contact spring        | beryllium copper           |
| O-ring                | Silicone                   |
| Operation temperature | -40°C / +140°C             |
| Protection class      | IP 68 / IP 6K9K            |
| Entry thread          | M25x1.5                    |
| Wrench size           | 30 mm                      |
| Dimension H           | 30 mm                      |
| Thread length L       | 11 mm                      |
| Inner diameter        | 21.1                       |
| Dispatch              | 25                         |
