

B¹ ceiling junction box

Light hook, 65 mm

- Proof voltage: 2500 V tested
- For retrofitting in ceiling boxes (EN 60670)
- with M5 thread, fully insulated

Article no:	1226-65
EAN:	4013456354302
Length of shank	65 mm
Diameter hook	26 mm
Overall length	91 mm
Thread length	10 mm
Dispatch	150

The new B¹ ceiling boxes simplify installation on the ceiling formwork. The innovative conduit entries enable conduits to be easily inserted into several ceiling boxes arranged in a row without having to cut them during the laying work. Due to the conduit entries located higher up, additional cut-outs of the reinforcement bars are unnecessary, ensuring fast insertion of the empty conduits on the ceiling.

- Suitable for all types of formwork
- Flat front part enables smooth insertion of the reinforcing bars on the ceiling formwork
- Innovative conduit entries for fast processing on the construction site
- Larger mounting and installation space
- Mounting of a light hook in accordance with DIN EN 60670
- The proven KAISER colour coding system ensures that the installation can be checked quickly
