

Wire-pull casings

Screwed-on cover

- smooth surface with rounded edge
- UV-resistant

Article no:	9914.02
EAN:	7611614039121
Length	262 mm
Width	112 mm
Height	5 mm
Colour	RAL 9010
Screws	-
For type number	9914.01
Dispatch	180

KAISER wire-pull casings ensure expert cable routing through conduit networks. According to DIN 18015-1, conduit lengths of more than 15 m and with more than two bends require wire-pull casings that allow cables to be added or retrofitted at any time. Wire-pull casings provide multiple conduit entry options and maximum free space to ensure a continuous cable network, including with subsequent changes to the electrical installation.

- Quick and secure installation using pre-inserted nails
- Clean stripping where exposed concrete is required
- High dimensional stability, no internal support required
- Multiple conduit entry options
- Stackable
