

Wire-pull casings

Screwed-on cover

- smooth surface with rounded edge
- UV-resistant

Article no:	9917.02
EAN:	7611614261799
Length	420 mm
Width	320 mm
Height	5 mm
Colour	RAL 9010
Screws	6
For type number	9917 / 9917.21
Dispatch	50

KAISER wire-pull casings ensure expert cable routing through conduit networks. According to DIN 18015-1, conduit lengths of more than 15 m and with more than two bends require wire-pull casings that allow cables to be added or retrofitted at any time. Wire-pull casings provide multiple conduit entry options and maximum free space to ensure a continuous cable network, including with subsequent changes to the electrical installation.

- Quick and secure installation using pre-inserted nails
- Clean stripping where exposed concrete is required
- High dimensional stability, no internal support required
- Multiple conduit entry options
- Stackable
