Protection class IP65 cable junction boxes with internal mounting. Simple mounting with an integrated thread for the cable gland. The lid can be snapped onto the housing without tools.

- IP65 Waterproof
- With a tool-free break-out opening in the internal thread for the cable gland – the housing opens when the cable gland is screwed in
- Variant with break-out multi-insertion for M20 or M25
- Colour RAL 7035, light grey
- Glow wire test according to EN IEC 60695-2-11
- Robust design
