

Fibre management plate (FMP) - Cable/conduit break-out opening Ø 3,0 – 8,0

Sealing ring, fibre management plate FMP

- Scope of delivery: sealing ring

Article no:	AT29040
EAN:	8712259302492
Network level	3
Suitable for	FMP
Protection class	IP68
Halogen-free	Yes
Temperature range storage	-10 °C / +60°C
Temperature range installation	-10 °C / +60°C
Temperature range during operation	-20 °C / +60°C
Colour	grey - RAL 7035
Dispatch	10

The innovative product design of the splice distribution box is suitable for installation in the underground distribution point supply sleeve (AT29030). The installation-friendly product design allows simple, fast and thus time-saving assembly.

- Flexibility in the management of fibre optic networks
- Plug & Play installation
- Flexibility in the FTTX concept.
